

This is the original window design.
Note its shape.

1

This is the design amended for your shape panels.
It is one of four slightly different sizes.
This was originally produced and supplied in October
2013 & again in Jan 2014.

2

This is what Everest managed to produce without notifying me of or me authorising any changes of and sent me the picture in January 2014

3

This is what Everest sent me February 2015. This was after I supplied them with the to-scale drawings in Jan 2014. As you can see, it's still incorrect.
